

Morning Drop Off Procedures

We would like to make our morning drop off for students a safe and pleasant routine. Please help us in that endeavor by following the guidelines listed below.

- If entering the parking lot from Dartmouth Street follow the arrow and make a right turn towards the Church to the drop off area.
- If entering the parking lot from Fairmount Avenue **do not go straight.** You need to **follow the arrow and make an immediate right.** Follow the lane to the far end where the arrow will bear left. Proceed to the drop off area.
- The designated drop off lane is the lane closest to the church - indicated by the red cones.
- There is no parking in the drop off lane.
- To use the drop off lane students need to be able to exit the car on their own.
- You must park in a legal parking spot if your child needs help exiting the car.
- In order to promote a safe flow of traffic, **please leave the parking lot by the Fairmount Avenue exit.**

Your cooperation is essential in helping us provide a safe early morning ‘drop off’ procedure for our children.
